Our banquet and catering staff is among the best. We create menus for the most discriminating palates...and for those who need to stretch their budget dollars.

Whatever your event, you'll have many choices for distinctive menus and dining venues. From themed breaks and convenient buffets to passed hors d'oeuvres, elegant plated dinners, beachfront cookouts and sunset receptions, you will dine memorably at every opportunity.

For complete banquet menus and current pricing, visit the catering section of our website.
