The air-conditioned Builders Row Indoor Expo will serve as a central gathering place for bikers and will showcase bikes from some of the industry's top custom-builders. Vendors Row will showcase the latest in biker gear, clothing and accessories.

This year there will be live music on three alternating stages Thur.-Sat. all day until 10 p.m. The free nightly concerts on the beach include **Sister Hazel (Thur.)**, country sensation **Travis Tritt (Fri.)** and Southern rock giants **38 Special (Sat.)**. Also performing throughout the weekend will be Puddle of Mudd, Saving Abel, Tobacco Rd Band and many other regional favorites.

Expanded weekend activities include a salute to the military on Saturday evening followed by a spectacular beach fireworks display. The fun continues on Sunday with "Diary of an Ozzman," an Ozzy Osbourne tribute band, and the exciting giveaway of the 2018 HD street glide raffle bike.

The TradeWinds is offering special three- and four-night packages for two with rates as low as \$627 per package and including various VIP extras such as beach concert tickets nightly, "Road Kill Scavenger Ride" entries, beach bar crawl entries and souvenir cups complete with drink discounts. Those staying on a four-night package get a bonus fifth night free.
