TradeWinds Island Resorts Opens On-Site Real Estate Brokerage Office

Mike Felice to Lead New Venture

ST. PETE BEACH, Fla. (May 8, 2017) – TradeWinds Island Resorts has added an on-site real estate brokerage office – TradeWinds Real Estate Company, LLC – located at TradeWinds Island Grand Resort. The office will serve owners of the Jacaranda Beach Villas residences, a 288-unit condo-hotel located on-property, as well as resort guests who are seeking expertise and guidance on local real estate opportunities.

Leading the new venture is Mike Felice, vice president of broker services for the newly formed office. With more than 14 years of real estate experience, Felice was part of the real estate sales team for the successful Jacaranda Beach Villas sellout in 2005. A graduate of Southeastern Louisiana University, Felice is a member of Pinellas Realtor Organization – Suncoast Chapter and is locally involved with the Alzheimer’s Foundation of America, VFW foundation, Pets for Vets and the Humane Society.

“Having an on-property real estate office will greatly benefit both our owners and our guests who love the area and may want to make it their permanent home,” said Tim Bogott, CEO, TradeWinds Island Resorts. “Mike’s enthusiasm and experience with real estate sales in some of Tampa Bay’s finest luxury waterfront developments, as well as his background with the Jacaranda Beach Villas, make him a natural candidate to lead the office.”

The TradeWinds Island Resorts – the Island Grand and Guy Harvey Outpost – are located directly on the sugary white sands of the Gulf of Mexico on St. Pete Beach. The resorts offer access to two properties in one, with limitless beachfront recreation, sumptuous dining and world class meeting and function facilities.
