

## TradeWinds Island Grand Resort Fast Facts

### Truly Grand

Both tropical and traditional, the Island Grand is the TradeWinds' classic, fun, family-friendly Florida beachfront resort. It is casual, yet crisp, active yet relaxing, busy yet exhilarating, complete in its offerings yet individual in its attention. Located on the island of St. Pete Beach, the Island Grand offers vacationers and meeting attendees sophisticated service in a lush, tropical atmosphere unique among Florida resorts.

### Two Resorts In One

TradeWinds Island Grand guests share amenities with its neighboring sister property – RumFish Beach Resort by TradeWinds. Guests at each individual resort also have complete charging privileges at both properties.

### Location

#### **St. Pete Beach, Florida**

Located just 30 minutes from Tampa International Airport and 25 minutes from the St. Petersburg-Clearwater International Airport, the resort sits along a wide expanse of sugary white beach directly on the Gulf of Mexico. Consistently rated as an exceptional beach, St. Pete Beach was voted #2 on America's Top 25 Beaches for 2015 by TripAdvisor.

### Special Setting

The Grand Palm Colonnade – Even indoors, guests are treated to tropical delights, such as this lush, 8,000 square foot garden atrium lined with two parallel rows of eight, 23-foot majestic, palm trees, specially created for the TradeWinds Island Grand.

Winding Waterways – The resort is laced with a signature look of meandering, tropical waterways bordered by abundant vegetation and inhabited by white swans, Japanese Koi and native Florida waterfowl. Guests can wind their way through the resort area via paddleboat.

### Family Fun

The Floating Water Park is a 20,000-square-foot water park and playground floating in the Gulf of Mexico just 60 feet off the resort's sandy shoreline. A perfect accompaniment to the popular three-story High Tide Slide on the beach, the water park offers more than 11 fun-filled features – from jumping and climbing, to relaxing and sunning.

The RedBeard Pirate Show lands at the TradeWinds very own "Pirate Island" twice weekly. Offered free to guests, the likeable pirate spins tall tales and conducts a sing along of memorable tunes for children and adults alike.

Bucky the Shark – TradeWinds version of the bucking bronco is Bucky the mechanical hammerhead shark. Guests hold on to their sunhats while Bucky takes them for a ride in his inflatable ring.

TradeWinds Island Grand was named as one of the 2012 "Top North American Family Resorts" by ResortsandLodges.com. St. Pete Beach was recently recognized as one of America's "Top 10 Best Beach Towns" by *Parents* magazine.

## **Fido and Fluffy**

A select number of pet-friendly suites are available at the Island Grand for furry family members wanting to join the fun. The resort's secure and leash-free Pet Play Zone features doggie drinking fountains, umbrellas for shade, doggie rinse and drying station with towels, owner sitting area, fire hydrants, and more. The Pet Play Zone is the only area on property where dogs can be unleashed. A special dog walk area has also been identified, set along the property's meandering waterways and beachfront dunes, and even skirts by a hammock for some snooze time. A complimentary Doggie Accessory Center stocked with dishes, leashes, toys and towels, for use during the furry friend's stay, is also available. Guests wanting to treat their pet to some extra-special service can order from the pet-only room service menu, including Fido Fajitas, Mutt Meat Loaf, gourmet cat food and more. In addition, "Fido's Fabulous Adventure" package is available with special treats for TradeWinds furry friends. Pet walking and pet sitting services are available upon request. The award-winning Fort DeSoto Park, just a short drive away, is the closest option for a pet-friendly beach.
