Special Touches

Swim with the Fishes

"Swim with the Fishes" at the RumFish Grill allows visitors the opportunity to snorkel in the 33,500 gallon aquarium built by Wayde King and Brett Raymer of Animal Planet's hit series, "Tanked." The extremely unique experience puts snorkelers up close and personal with more than 30 species of indigenous fish including snook, redfish, trout, tarpon, grouper, snapper, a nurse shark and even an eel. The program is open to visitors ages eight and up and includes a "behind the scenes" tour highlighting eco-initiatives and tank management.

The SandBox

The SandBox at RumFish Beach Resort is a beachfront lounging experience complete with sofas with fire tables, colorful Adirondack seating, dolphin chairs and swaying hammocks. It is also home to the Triple WipeOut – where guests can surf on dry land. Guests can savor the sunset and roast marshmallows and s'mores nightly. VIP Cabanas can be rented daily and come with a tv, fan and personal server.

Outfitter Shop at RumFish Beach Resort & Fishing Fun

Fishing charter? Boat rental? Snorkeling and diving? Advice on best fishing holes? The crew at RumFish Beach Resort are standing by to assist guests in navigating their next adventure. Guests can take their pick – trolling offshore for a speed demon wahoo, manhandling a monster amberjack off a deep wreck, stalking snook and redfish inshore, or fly fishing the flats of Tampa Bay. One of the experts at RumFish Beach Resort can reserve a trusted "go-to" fishing guide for half-day and full-day trips or party fishing boat charters. Also available through the Outfitter are rod rentals, details on fishing licenses and information on fishing from the beach and piers. Visitors with a boat have a complimentary overnight mooring with a round-trip transfer from a nearby marina.

Both of RumFish Beach Resort's stores – the shop at RumFish Grill and the Outfitter Shop at RumFish Beach Resort offer the RumFish Beach Life brand that features clothing, artwork, beach apparel and other merchandise. Other popular "beach brands" such as Salt Life, Huk and other local brands are also available for purchase.

Resident Captain

RumFish Beach Resort also has a resident captain – Captain Tim – who shares his fish tales with guests regularly. Four times per week, Capt. Tim hosts shore fishing and beach walks pointing out wildlife and providing fishing tips along the way. During the week, he will also share his tips on learning to cast and throwing a cast net for both adults and kids. He also conducts behind-the-scenes tours at RumFish Grill to show guests the inner workings of the lionfish tank, signature 33,500 gallon tank and more. Other weekly topics include pier fishing, seasonal fishing, bait, fishing with kids and rod and reel care.
